

Essential Content from the JAMA Network™

NEW: *JAMA Health Forum*™, a peer-reviewed, open access journal that addresses health policy and strategies affecting medicine, health, and health care.

A JAMA Network site license offers seamless access to the original research, reviews, and opinions shaping the future of medicine.

A JAMA Network subscription includes:

- Practice-changing original research, including clinical trials
- Clinical review and education content offering therapeutic and diagnostic insight
- Visual abstracts and Key Points for convenience
- Multimedia, including podcasts, videos and interactive features
- Mobile-optimized view and convenient remote access
